LRSF Council meeting

STATEMENT FROM THE PROTOCOL

2022-04-21

No. 22/04-03

Regarding the organization of the international high frequency (HF) competition "Baltic Contest 2022".

Statement from LRSF Council meeting No. 22/04-02:

Considered: Regarding the organization of the International High Frequency (HF) competition "Baltic Contest 2022".

Proposed: In consultation with a Lithuania radio sports active members, including radio sports representatives from Latvia and Estonia (more than 40 radio sports representatives in total), after their survey on the organization of this year's "Baltic Contest" competition, opinions were collected and grouped into 3 categories: to organize the competition, suspend the competition, no opinion.

The survey results are: to organize the competition - 9.3%, suspend the competition - 79.1%, no opinion - 11.6%.

Decision: The current geopolitical situation in Europe, i.e. on military actions in Ukraine, on Ukraine's inability to participate in radio sports competitions, on an official document signed by the Minister of Education and Sports of the Republic of Lithuania J. Šiugždinienė, which is in line with the position of 40 countries, the international HF competition "Baltic Contest" organized by the LRSF, which is expected to take place on May 20-21, 2022, is suspended for one year.
