Dear competition commission "European HF Championship"!

Thank you for organizing the "European HF Championship" contest in 2023.

At the same time, I would like to draw your attention to the fact that among the LOG accepted for consideration is the LOG of station **D1M**. LOG of radio station **D1M** is indicated at the link: <https://euhf.s5cc.eu/received-logs/>

The ITU has not assigned the **D1** prefix to any country or territory in the world. Radio station **D1M** is not official and can only be defined as pirate. Allowing a pirate radio station to count is contrary to the spirit of civilized amateur radio.

Therefore, in order to comply with the rules and principles of civilized radio amateurism, I ask that radio station **D1M** be excluded from the calculation contest "European HF Championship 2023" and do not include QSO's with station **D1M** when calculating the results of the "European HF Championship 2023" contest.

Best regards,

President UARL
