

## DIPLOMA AWARD RULES: 100th Anniversary of the Birth of Capt. Ludomir Mączka – SP1CVO

### 1. ORGANIZERS

- Amateur Radio Club SP1PMS
- PZK Regional Branch 14 in Szczecin (Poland)

### 2. OBJECTIVE

To commemorate the 100th anniversary of the birth of Ludomir Mączka – alias "Ludojad", "Ludek" (born May 22, 1926 in Lviv, died Jan 30, 2006 in Szczecin), an outstanding Polish geologist, sailor, yacht captain, traveler, and amateur radio operator holding the callsign **SP1CVO**. His legendary yacht "Maria" was the first Polish yacht to circumnavigate the globe twice, crossing the Atlantic, Indian, and Pacific Oceans multiple times.

### 3. DATES

- Start: **May 22, 2026** (00:00 UTC)
- End: **May 31, 2026** (23:59 UTC)

### 4. PARTICIPATING STATIONS AND POINTS

- **SP100CVO** special event station
- **SP1PMS** club station
- **SP1SZ** (Sławek),

- **SP1TMN** (Janusz),
- **SP1STJ** (Stefan),
- **SP1MS** (Maciej)
- **SP1KGM** (Marcin)
- **SP1MIR** (Miroslaw)
- **SP1MGM** (Krzysztof)
- **SP1ASU** (Ryszard)
- **SP9GFI** (Kazimierz)

To obtain the diploma, it is **mandatory** to make at least one valid QSO with the special event station.

The point system is as follows:

Station	Mode	Points
[INSERT SPECIAL CALLSIGN]	Any mode (Mandatory)	<b>9 pts</b>
Cooperating stations	CW	<b>5 pts</b>
Cooperating stations	SSB	<b>3 pts</b>
Cooperating stations	DIGI (FT4, FT8, RTTY)	<b>1 pt</b>

### 5. BANDS AND MODES (Duplicate QSOs)

- Contacts can be made on HF bands in accordance with the IARU bandplan.
- Allowed modes: **SSB, CW, SAT and DIGI (FT4, FT8, RTTY)**.
- QSOs with the same station may be repeated for additional points provided they are made on a **different calendar day**, on a **different band**, or using a **different mode**.

## 6. DIPLOMA REQUIREMENTS

A mandatory QSO with the special event station is required, plus accumulating the following number of points:

- **SP Stations (Poland):** 50 points
- **EU Stations (Europe):** 20 points
- **DX Stations (Outside Europe):** 2 QSO including contact with special event station **SP100CVO**

## 7. SWL (Short Wave Listeners)

- SWL stations are subject to the same point requirements as transmitting stations.
- Log extracts (preferably in Cabrillo or ADIF format) should be sent to: **sp1pms@pm.szczecin.pl**
- The deadline for submitting SWL logs is **June 15, 2026**.

## 8. RESULTS AND DIPLOMA DOWNLOAD

Participant scores will be updated regularly as logs are uploaded by the organizers. Upon meeting the requirements, the commemorative e-diploma can be downloaded automatically from:
